Application No. 08/289,290

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on August 2, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

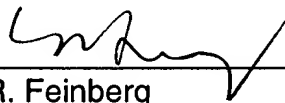

On March 7, 2005, appellants filed an "Amendment Under 37 C.F.R. § 1.116." In response thereto, on June 3, 2005 the examiner has considered and entered this paper. However, as a consequence of the entry of the amendment, correction of the appendix of claims in the appeal is required.

Accordingly, it is

ORDERED that the application is remanded to the Examiner for

- having either the appellants or the examiner submit a revised appendix of claims on appeal;
- to have a complete copy of the revised appendix scanned into the IFW file; and
- for such further action as may be appropriate.
